

Jacqueline Jules

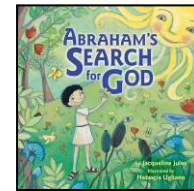

JACQUELINE JULES spent many years developing engaging story times as both a librarian and Tot Shabbat leader. Her school and family programs include singing, puppets, finger plays, flannel board fun, and lots of audience participation. For information on speaking fees, please contact her through her website at jjules@jacquelinejules.com.

ZIZ PROGRAMS: Choose one of the Ziz books: *The Hardest Word*, *Noah and the Ziz*, *The Ziz and the Hanukkah Miracle*, or *The Princess and the Ziz* for a family story time featuring the Ziz puppet, songs, and a flannel board building of the Ziz. (ages 3-8)

SHABBAT THEME STORY TIME: Learn Shabbat songs, roar with a bear puppet, chant Yiddish words, and sing the joyful chorus of *Once Upon a Shabbos*. This program can conclude with cooking “Bubbe’s Shabbos Kugel” recipe from the book. (ages 3-8)

BIBLICAL HEROES: With songs and projected images from *Abraham’s Search for God*, *Sarah Laughs*, *Benjamin and the Silver Goblet*, and *Miriam in the Desert*, beloved biblical heroes will come alive for young audiences. Program can be tailored for age groups between the ages of 5-10 and can include *Goodnight Sh’ma*.

SUMMER CAMP FUN: Sing camp songs and discuss friendship with *Picnic at Camp Shalom*, a picture book about two girls who form a lasting bond at a Jewish summer camp. This program can include a discussion of the writing process. (Ages 5-10)

CELEBRATE THE NEW YEAR: With Rosh Hashanah songs and activities, this holiday program features *What a Way to Start a New Year*, a story about a family adjusting to a move and making new friends at synagogue. (Ages 3-8)

MAKING FRIENDS: How do you resolve conflicts? Is it possible to become friends with someone who hurt your feelings? *Never Say a Mean Word Again* explores these questions in a story inspired by a legend from medieval Spain about Samuel Ha-Nagid. Program includes a conflict resolution song and discussion. (Grades 1-4)
