Wisdom Tales Press introduces its newest children's book, *Never Say A Mean Word Again: A Tale from Medieval Spain* written by Jacqueline Jules and illustrated by Durga Yael Bernhard. Publication for this book is May, 2014 with ISBN 978-1-937786-20-5.

Never Say a Mean Word Again is the compelling tale of two boys, one Jewish and one Muslim, trying to settle their differences. Based on a powerful legend from medieval Spain, its message of a peaceful solution is as appropriate today as ever.

This light-hearted look at the very serious issue of **conflict resolution amongst children will appeal to** children and adults alike. It illustrates how friendship and kindness can help settle some disputes. Available at all fine booksellers.

“Jules’s down-to-earth narrative communicates Samuel’s subtle internal transformation as the unexpected, amusing, and touching outcomes of his attempts to obey his father turn a power struggle into a budding friendship. . . . Bernhard’s illustrations convey an elegant, multicultural castle environment. Energy and movement infuse the paintings.”
